Data Controller

Data Controller: **SIMON PLAST INDUSTRIES S.r.l.**

Headquarters: **Via del Lavoro n. 6/A, 42015 Correggio (RE)**

Contact details: **0522 642376 // amministrazione@simonplast.it**

The Data Controller is responsible to you for the lawful and proper use of your personal data and may be contacted for any information or requests regarding such processing.

Type of data processed

1- Data necessary for the operation of the site: The computer systems and computer programs used for the operation of this site collect some personal data whose transmission is implicit in the use of Internet communication protocols (e.g. IP addresses or domain names of computers used by users connecting to the site, the URI addresses of the requested resources, time of the request, method used in submitting the request to the server, size of the file obtained in response and other parameters relating to the user's operating system and computer environment).

2- Data voluntarily provided by users: The optional, explicit and voluntary sending of your personal data (personal and contact data) to the address indicated on this site or by filling out the form to request a quote or for more information about our business, involves the subsequent acquisition of the sender's address, necessary to respond to requests, as well as any other personal data included in the message.

3- Cookie: We will also use cookies, i.e. packets of information sent by the server of this web page to the visitor's browser and automatically stored by the latter on his/her device (personal computer, tablet, cell phone, etc.) and sent back, again automatically, to the server each time the web page is accessed. Only technical cookies will be used for this web page, so there will be neither a cookie policy, nor a banner: all cookies used will be indispensable only for the proper functioning of the web page.

Provision of data

The provision of data is necessary to be able to respond to requests received and any subsequent contractual and pre-contractual activities.

Purpose and legal basis of processing

1- Data necessary for the operation of the site: These data are used for the sole purpose of obtaining statistical information not associated with any user identification data on the use of the site and to check its correct operation and are deleted immediately after processing. Although this information is not collected in order to be associated with identified data subjects, by its nature it could, through processing and association with data held by third parties, make it possible to identify users. The data could be used to ascertain liability in case of hypothetical crimes computer crimes to the detriment of the Site.

2- Data voluntarily provided by users: Personal data sent through forms will be acquired and processed only and exclusively to follow up the request for information by contacting the user through the contact details provided. The legal basis for this processing is the execution of pre-contractual measures taken at the very request of the data subject (Art. 6 letter b of the GDPR).

3- Cookies: Only strictly necessary cookies will be used, which will be used exclusively for the proper functioning of the web page.

Place of processing, recipients and transfer of data

Processing related to the Web services on this site takes place at the aforementioned location and is handled only by authorized individuals (employees, collaborators, data processors) or external consultants who act as data processors (formally appointed) through ongoing support or occasional maintenance operations (e.g.: sw developers, website managers).

No data from the Web service is disclosed or disseminated. Personal data provided by users who submit requests to send informative material are used only to perform the service or provision requested and are communicated to third parties if this is necessary for that purpose.

Such third parties may include:

- External provider
- Companies that perform routine and extraordinary maintenance of the website. - Third-party companies that provide third-party services.

Your personal data will not be transferred to any non-EU country or international organization.

Processing and storage methods

Personal data are processed by automated means for the time strictly necessary to achieve the purposes for which they were collected. Specific security measures are observed to prevent the loss of data, illicit or incorrect use in compliance with the obligations to comply

with minimum security measures. A longer storage may occur in case the data is necessary for the management of possible disputes.
